I can't make it either. Sorry to miss it.

Hi Wally,
I am booked on Wednesday morning (I have to be in Olympia at 10am). Should I try to find a substitute that could be there?
Thank you,
Tom

Hi Tom and Christie,

My Division Director, Sheryl Bilbrey (Office of Environmental Cleanup) is planning to visit the May Creek site this Wednesday morning so she can see the site first hand. Her visit will be relatively short, perhaps 30-45 minutes. I'd like to invite you or your designee to join us. Ms. Bilbrey is interested in hearing about your future plans at the site and thought this might be a good opportunity for a "meet and greet" as well.

I apologize for the short notice, and will understand if you are unavailable. The site will be muddy so good boots are strongly recommended. You should not be exposed to hazardous substances so no other personal protective equipment will be necessary.

Please let me know if you plan to attend and I can share more logistical details at that time.

Hope all is well,
Wally
